Recruitment Consultant - Treasury - Central London - Competitive Basic Salary + Commission + Benefits

My client is a leading, independent finance recruitment business in Central London established over 20 years'. Currently employing over 100 staff, they are one of the largest financial recruitment businesses in the London market and offer the most amazing career opportunities.

They are looking for an experienced Recruitment Consultant to join their Treasury Team. This is a fantastic opportunity and you will be working on a hot dual desk recruiting Treasury professionals into PSL clients across Banking/Financial Services.

This is a huge market and the opportunities to build a lucrative desk are endless, the desk billed over £170k in a 7 month period so the potential to earn money is fantastic. An average fee is £12k. From day one you will be given a hot desk with a well networked client and candidate database and will be able to bill and make money from day one. In the medium term this can lead to a senior level role quite quickly too.

The successful candidate will be a recruitment consultant with recent experience recruiting into the Banking/FS market. Treasury experience is not essential as training will be given. You will have excellent communication skills and the ability to network and build relationships with senior clients and candidates.

In return you will receive a hugely competitive salary, a market leading commission structure that starts at 33% and benefits that include mortgage fund, free breakfasts, student loan scheme, car leasing, sports clubs, the opportunity to buy and sell holidays and so much more.
