Secretarial Consultant - West End - £30-40K

Superb opportunity for an experienced Permanent Consultant to join a reputable commercial recruitment business that has been established for over 30 years. Our client specialises in recruiting Secretarial, HR, and Support staff across all industries, with a strong reputation in each.

Due to exciting growth of the business they are looking for a self motivated recruiter to run a permanent commercial desk. This is new role in a well established division which focuses on the supply of Secretarial and Support staff, maximising on the success of my client's long established desks. Although they recruit into all industries, every consultant within the business is given the opportunity to recruit their own specialism.

This is not a cut-throat sales environment; they operate a mature and adult recruitment office. The ideal candidate will be a skilled, all round Recruitment Consultant with a good track record and a level of professional success in their market, in account management along with generating new business. You will be joining a team of credible and self motivated consultants. Although professional the office is fun-loving and dynamic so you will need to be a confident team player with a big personality!

You will be given all the tools to create a successful desk including a warm database of existing clients and candidates. They have a superb infrastructure to support you so you can focus on making money quickly! You will be working in a truly meritocratic environment where personal progression is rewarded directly in line with successful placements.

You will be rewarded with a competitive basic salary as well as generous benefits, and incentives not to mention the backing of one of the most well-known consultancies in this field and the opportunity to branch out into new markets.

If you are a Permanent Consultant wanting to work for an agency with a difference and are looking for the best career prospects in the market, please call Cheryl on 0203 696 1210 or email your CV to cheryl@gsr2r.com
