Senior Recruitment Consultant - Accounting & Finance - London W1 - £28000 - £36000 + commission

Do you want to be part of an exciting recruitment business with none of the constraints of working for a bigger firm?

The Company:

My client is a boutique finance recruitment agency founded in 2011 and based in Central London. Over the past 5 years', they have grown into one of the most respected boutique search and recruitment firms, are now a multi-million turnover business and have an office in New York.

They recruit qualified accountants from mid range to senior positions, including FCs, CFOs and FDs into Commerce & Industry on a permanent and interim basis. The permanent salary ranges are typically from £40,000 to over £300,000 per year. Interim day rates range from £250 to £2,000. They work with some amazing clients ranging in size from FTSE 100 and 250 corporations to small to medium sized enterprises.

The role:

Working in the permanent team, you will be recruiting qualified accounting and finance candidates into a diverse range of clients across Commerce & Industry. This is a full 360 recruitment role and you will be given one or two warm accounts to work on so you can start billing immediately but will be expected to develop new business too.

They work with an impressive and varied client list in commerce particularly retail, media, FMCG, pharma and property

You will be working as part of a close knit team who work well and support each other to achieve success

The rewards:

You will be rewarded with a competitive basic salary, transparent and uncapped commission and benefits including real equity opportunities.

There are massive growth plans for the next 5 years' including UK and international offices so you can build a fantastic career
