(MK473)

**Recruitment Consultant - Construction Trades & Labour - City of London - £25k- 35k + monthly uncapped commission**

Recruiting blue-collar construction staff into Main Contractors

Hot desk! Inherit a desk dealing with some of the largest construction clients in the UK such as Mace, Balfour Beatty and Laing O'Rourke.

Over 10 years' working in this sector, my client is a recognised brand in the trades and labour recruitment market who have seen substantial growth over the past few years. This team have many PSL's with the biggest and best clients in the market.

Joining an established team you would work together to service clients on large construction projects across London and the South East. My client is one of the biggest names in the sector and is looking to expand to meet the demands of their busy and expanding client list.

**They are:**

Established in the Trades & Labour Construction sector

50 people across a national framework of offices

The market leader in London with outstanding recruiters running huge, successful desks

**They can offer you:**

A hot desk/clients to take over

Training and development throughout your career

Company Vehicle

Team work/Established Recruiters/Good incentives

Strong leaders/Industry knowledge and training

Commission monthly uncapped

**You need:**

12 months plus recruitment experience in a blue-collar construction related discipline such as M&E, Trades, Maintenance etc

Ability to run a busy temp desk

Strong work ethic and drive

Sense of humour, down to earth personality

High standards and ambition

I've worked with this client since inception and seen them grow and grow. Great company where you will be very well rewarded for success.
