### **Recruitment Consultant - Procurement - London - City - £24k - 32k + commission**

Do you want to work for a recruitment business that has zero threshold and pays commission from 20% to 40%

Do you want to be part of a business that offers flexihours, free breakfast and the opportunity for equity every day

I have an exciting opportunity for an experienced Recruitment Consultant to join an independent recruitment consultancy specialising in Supply Chain, Procurement, Logistics and Manufacturing/Technical, across EMEA.

My client recruits from graduate to board level and their main industry focus is the Consumer Goods sector with clients covering everything from Food to Cosmetics to Household Goods. Clients range from large international clients and ambitious growing SME's.

They are looking to hire a Principal Consultant to join their thriving UK Procurement team. You will be covering permanent and interim roles in the UK at salary levels up to £90k. You will be given:

- A hot desk with warm relationships to leverage from and a strong client base to work with from day one
- The chance to work with large, international clients and ambitious growing SME's across EMEA
- Recruiting into household names in the Consumer Goods sector, with clients covering Food, Cosmetics to Household Goods
- Much better fees and therefore greater earning potential
- The chance to become a specialist and expert in your field of recruitment
- Excellent rewards including attractive basic salary and market leading commission structure
- A dress down working environment where you can wear jeans to work
- Ongoing training , career development and opportunities to progress

Overall this is an excellent opportunity for development as the successful candidate will in future lead the UK procurement team and be responsible for growing the team

further.

The ideal candidate will have a good track record of billings and have good examples of winning and developing business.

In return you will be offered a competitive salary and a commission scheme that has zero threshold and monthly commission that pays out at between 20% - 40% (according to billings). They also offer flexi-hours, free breakfast, quarterly incentives and opportunity for equity.
