### **Senior Recruitment Consultant- Transactional Finance - London EC2 - £25000 -36000 + commission**

My client is a leading recruitment business based in the City of London with regional and international offices.

Established since 2003, they initially specialised in Accounting and Finance. Since then, they have grown organically and employ over 170 staff worldwide.

They now also recruit professionals across Business Change and Transformation, Compliance, Data and Analytics, Human Resources, Procurement, Property & Facilities Management, Risk, SAP and Strategy.

#### **The role:**

The Accountancy & Finance division specialises in recruiting talented finance professionals at all levels from transactional and part qualified accountants up to CFO level.

Clients range from SME's to blue chip organisations. Consultants specialise in either interim or permanent assignments but also by level, sector and by geographical location.

Typical roles include Finance Directors, CFO's, Finance Controllers, Commercial Accountants, Financial/Management Accountants and Accounts Payable/Receivable.

You will be joining the Transactional Finance team, currently 6 Consultants and you will be recruiting permanent Accounting and Finance candidates at salaries from £22k – 45k primarily. You would be given a warm desk so you can work on roles immediately as well as building your desk out further.

You will be self motivated, professional, enjoy working in a team orientated environment, commercial, driven and hungry for success

#### **Why Join:**

This is an entrepreneurial and autonomous business where everyone looks forward to coming to work.

You will be joining a fantastic team of recruiters who have a lot of experience and skill.

You will have the opportunity to bill a lot of money and really develop your career as a true expert in this space.

**Rewards:**

They will offer a truly competitive basic salary, with commission structure and annualised bonus.
