Temp/Freelance/Contract Recruitment Consultant - City of London - £30k-35k + monthly uncapped commission

Temp / Freelance / Contract Recruitment Consultant required to place FM and Estates professionals into the NHS, Further Education and Not For Profit sectors.

Market Leader – my client is recognised as a leading provider of FM and Estates personnel into the NHS, Further Education and Not For Profit sectors. Inherit a desk working alongside some of the best performing and experienced recruiters in this sector in the UK.

They have a proven track record of delivering at a senior level in the sector for over 10 years, winning many retained assignments and are a recognised brand in the sector.

This team, the top performing team in the business are keen to extend their client offering by adding further support by providing temporary / freelance placements.

Joining an existing team, you would work together to place white-collar FM, Maintenance and Estates staff into existing clients across the UK.

They are:

Established in the FM, Maintenance and Estates market within NHS, Further Education and Non For Profit sectors

Professional, quality service driven recruitment business

Mature in their approach and environment

Inspirational leaders who lead from the front

Established brand within the built environment

They can offer you:

Clients to take over

Training and development through out your career

Grown up environment

Great team of experienced recruiters

Strong leaders/Industry knowledge

Commission monthly uncapped with high percentage over threshold

You will need:

3 years temporary/contract/freelance recruitment experience in any professional sector preferably

Strong work ethic and drive

Professional consultative approach

High standards and ambition

I have worked closely with this client since inception and have seen them expand to become one of the recognised in the built environment recruitment market. If you want to work in a professional, career orientated and expert recruitment business then this is the right opportunity for you.
