Manager/Team Leader, Interim Accounting & Finance - London WC2 - £35000- 45,000 + commission + opp for equity

Do you want to work for an innovative recruitment business with exciting plans to grow

Are you looking for an opportunity to build a team

Do you want to progress to AD/Director level quickly

My client –

Specialist Accounting and Finance recruitment consultancy operating within Commerce & Industry, Financial Services and the Third Sector.

6 years' old, grown every year with exciting plans to grow even further by 2020

Now looking to build an Interim team to work alongside the permanent recruiters.

It is a great time to join. They are an established business in their market, with great offices and they can offer the right candidate a great platform to build a successful interim division.

The role –

Build an interim revenue stream in the Accountancy market in Central London across all industry sectors

Recruit a team of Consultants and have full management responsibility

Play a key role in the business operationally

Why Join –

This is a key hire for my client and you will help them shape the next period of their growth

There is an existing interim revenue stream and you will inherit the commission on this from day one

Access to diverse range of clients and candidate database

Benefits include; great bonus/management bonus scheme, share holding potential, 28 days holiday, flexible working.

Sabbatical of 1 month extra paid leave after 4 years' service

Opportunity will develop into a Director level role
