Recruitment Consultant - Luxembourg market - Surrey - Flexible + commission

My client is a specialist recruitment agency in the Luxembourg Investment Funds, Fiduciary and Banking market.

Based in Surrey and privately owned, they have over 9 years' experience in this market with an excellent track record.

Due to a high volume of roles they are looking to add to their team. You will be working on a diverse range of permanent roles from Finance & Accounting to Legal & Compliance and Risk.

You will be offered a hot desk from day one and will be working into a prestigious client base including Fund Service Providers, Investment Managers, Trust & Corporate Services clients, Banks, Management Companies, Private Equity firms and Real Estate Management companies.

This is a relationship led role and you will be an effective communicator able to build relationships at senior level. Jobs are easy to come by and you will have Line Manager contact. The candidate pool is small but very fluid and they do move often. This is a lucrative market to work in and fees will be considerably higher than the UK/London market.

This is a grown up, adult working environment where you will be part of a small but experienced team. They do not work to KPI's or internal targets so will suit an experienced recruiter who can thrive in an autonomous environment. There will be travel to Luxembourg required in this role.

You will be offered a great network and good exposure to lots of different roles. They will pay a competitive salary and commission and flexible working.
