Interim Recruitment Consultant-Health, Safety & Environment - Holborn - £30,000 - £40,000 + uncapped commission

Hot desk! Inherit an interim desk placing health, safety and environment professionals with large corporates, non-profit and leading consultancies in the UK and Internationally.

Working alongside an established permanent team you will be solely responsible for all contract/interim recruitment across an established client base.

They are:

Considered by many as market leaders in the areas of corporate sustainability, environment, energy and health & safety

Medium sized, niche professional business

Industry leaders

Amazing client base – worlds largest corporations (from Apple to Lego), non-profits (from WWF to the UN) and consultancy businesses (leading SME's to the Big four)

Innovative approach to contract recruitment

They can offer you:

A hot desk (contractors out)

Clients to take over

Market leading Brand

Successful Permanent team incentivised to pass leads

Training and development through out your career

Work life balance/Flexible working hours

Team work/ Grown up environment

Strong leaders/Industry knowledge

Outstanding commission structure

You need:

24 months plus interim/contract recruitment experience in any professional discipline

A track record of financial delivery against targets

High level of drive and ambition

Consultative approach

Strong work ethic

High level of integrity

Commitment to quality

The ability to manage projects

A highly collaborative and team orientated approach

Excellent communication skills

Do you want to work for a ethical, boutique but market leading recruitment consultancy where you will work alongside passionate and highly knowledgeable experts in the Health, Safety and Environment sector?

Right for you? Just want to know more? Contact me or send your CV.
