Branch Manager - Built Environment - London - £40 - 60000 + commission

Do you want to be your own boss and run your own business?

Branch Manager required to set up a London branch for an established business with over 10 years exposure to the built environment sector – any white or blue-collar background will be considered as long as you have a demonstrable track record and have the passion and drive to establish this brand in the London market. Earn an equity share in the business you establish!!!

My client has an established branch network, employs over 50 staff and has a turnover of £25 million. They are looking to expand and operate in the buoyant and competitive London market.

They are:

An established brand name in the built environment recruitment sector out of London

They have a branch network across the UK, employing 45 staff and with a turnover of £25 million plus

Highly profitable enabling investment in growth (cash rich)

Innovative, supportive and autonomous culture

They can offer you:

Full back office support

Proven processes

Experience of opening and growing offices from scratch

Directors have over 50 years recruitment experience

Clients to take over from day one

Training and development throughout your career

Outstanding commission structure – no threshold

Equity or Profit Share

You need:

A proven track record of success in any sector within the built environment (white or blue collar)

Consistent billing history

High level of drive and ambition

Strong work ethic

High level of integrity

Excellent communication skills

Do you want to set up on your own but don't have the financial backing – my client will offer an equity share, competitive salary and OTE to allow you to build your own branch in London with their full backing.
