(MK534)

### **Recruitment Consultant - Construction - Stevenage - £25000 - 35000 + uncapped commission**

Recruitment Consultant required to work on a Construction desk. You will be working alongside a top performing consultant and splitting the desk to work with leading RC Framework and Facades contractors

Hot desk! Live jobs and live client accounts to manage on a national basis. Learn from the best in the market!

#### **My client is:**

Medium sized, niche professional business with 3 offices in the UK and a £20 million turnover

Industry leaders in the RC Frameworks and Facades market

Large and established client base nationwide

#### **They can offer you:**

A hot desk – client accounts to inherit

Market leading Brand

Successful manager to support and pass on market knowledge

Training and development throughout your career

Team work/ Grown up environment – no KPI's

Strong leaders/Industry knowledge

Outstanding commission structure – no threshold -earn on everything you bill

#### **You need:**

12 months plus recruitment experience in any professional discipline

High level of drive and ambition

Strong work ethic

A highly collaborative and team orientated approach

To be able to work in Stevenage

Do you want to work for a successful, down to earth and highly rewarding agency focused on the built environment and with strong growth plans over the next 5 years?

Right for you? Just want to know more? Contact me or send your CV.
