### **Senior Recruitment Consultant - Qualified Finance into Consumer - West End - £32000 - £45000 + commission**

Superb recruitment business based in the West End specialising in recruiting into the Retail & Consumer sectors only. Clients range from SME's, start ups to large, global multinationals across Retail, FMCG, Ecommerce, Luxury, Lifestyle Brands and Leisure. They have a great reputation in their space and as a result of their success they are looking to hire.

They are looking for an experienced Recruitment Consultant to recruit qualified Finance & Accounting staff across a diverse client base in Consumer. They can offer a very warm desk with jobs to work on from day one.

The office is small with 12 staff so cultural fit is important. It is a relaxed, fun and dress down environment where consultants don't take themselves too seriously. This is not a corporate environment at all, there are no KPI's or call times. Everyone is an experienced recruiter who gets on with the job; they do work hard, are successful and earn well. The successful candidate will be a strong networker, willing to engage in the market and build solid relationships.

If you are an experienced Accounting and Finance Recruitment Consultant with a good track record of billings and excellent communication skills then I'd love to hear from you.

In return you will receive a competitive salary and commission structure.
