Senior Recruitment Consultant – Construction (commercial, production, design) – Dual Desk - City - £30000 - 35000 + commission

Senior Recruitment Consultant – Construction (commercial, production, design) – Dual Desk

You will be placing white-collar construction professionals on a contract and permanent basis across the UK with leading main and subcontractor clients.

Work for an established and mature built environment recruitment specialist. Inheriting long standing relationships and be part of a high performing and established team.

They are:

Founded in 1995 – over 20 years in the construction recruitment sector

Specialise in UK white-collar and blue-collar construction recruitment

Offer permanent and temporary recruitment solutions

Well established and well respected in their sector

They have developed excellent working relationships with many companies with whom they partner on an on-going basis

Have expert team of recruitment consultants

Pride themselves on providing a value-added service based on quality and cost effectiveness

Have a professional approach towards candidates and clients

They perform consistently to high standards

Deliver with enthusiasm and attention to detail

Always on the lookout for dedicated recruitment professionals

They can offer you:

A hot desk

Clients to inherit

Established Brand

Established and high performing team

Work life balance/Flexible working hours

Adult environment

No KPI's

Strong leaders/Industry knowledge

Outstanding commission structure including quarterly and annual bonus

You need:

12 months plus recruitment experience in any white-collar construction discipline

High level of drive and ambition

Autonomous attitude to work

Consultative approach

Strong work ethic

A highly collaborative and team orientated approach

Excellent communication skills

Do you want to work for a established, market leading construction recruitment firm where you can run a dual desk and work in a mature and adult environment?

Right for you? Just want to know more? Contact me or send your CV.
