Senior Recruitment Consultant – Construction - New York, USA - \$60000 - 80000 + commission

Senior Recruitment Consultant – Construction

Based in New York, you will be responsible for developing a new division focusing on senior level placements with large construction companies across the US.

They are:

Founded July 2010

Offices in Sydney, Hong Kong, Dubai, London and New York

They focus solely on providing services to Property and Construction clients

Have amassed a collection of driven recruitment specialists who focus on mid to senior level placements

They've built an office network that expertly services their clients and candidates on a global level focused on enriching people's careers

Are true to their values and hiring people who are capable of living them

Believe in creating a culture of performance, profitability, reward and most importantly, enjoyment

Their transparency and market knowledge help represent both candidates and clients best interests

Continually emphasize the significance of long term relationships

They are willing to be held to account and take responsibility, to be answerable

Will go above and beyond to exceed

Look for consultants who possess drive and ambition

Offer a strong company culture based on collaboration, energy and enjoyment

Reward initiative and hard work

They can offer you:

Established Brand in Construction and Property recruitment globally

A new office in New York

Time and support to build a desk

High performing team

Adult environment

No KPI's

Strong leaders/Industry knowledge

Outstanding commission structure including quarterly and annual bonus

Relocation assistance and sponsorship

You need:

24 months plus recruitment experience in any white-collar construction discipline working with contractors and consultancies

A degree

High level of drive and ambition

Autonomous attitude to work

Consultative approach

Strong work ethic

A highly collaborative and team orientated approach

Excellent communication skills

A track record of financial delivery against targets

High level of integrity

Commitment to quality

A professional approach to recruitment
