Snr Recruitment Consultant - Qualified Finance into Financial Services - City - 28000 - 40000 + commission

My client is a innovative Accountancy & Finance recruitment consultancy operating within Commerce & Industry, Financial Services and the Third Sector. Based in Central London they recruit from part qualified to FD/CFO level.

After a period of sustained growth, they are looking to add to their Financial Services team. They work with some of the most progressive and entrepreneurial FS businesses and have success recruiting within Venture Capital, Private Equity, Wealth/Asset Management and Private & Investment Banking.

You will be recruiting at salary levels from £40k – 150k and will be given some long standing client relationships to manage from day one. There is plenty of opportunity here and you will also be expected to build and develop your own client base too within the Financial Services sector. Longer term there will be the potential to lead your own team too.

It is a great time to join the business. They are established in their market, with great offices and can offer a superb platform to build a successful career.

The business is 13 heads and they are looking to take this to 20+ in the next 3 – 5 years. This is a key hire in helping them shape this growth.

The successful candidate will have at least 18 months experience recruiting Accounting and Finance candidates. You will have a mature approach to work with the best interest of your candidates and clients at the heart of everything you do. They will offer an exceptional career opportunity and a fun, supportive but mature working environment. You will receive a great salary, commission structure, share holding potential, 28 days holiday, pension, flexible working. They have had some amazing trips and team events over the years and will continue to do so.
