### **Associate Consultant/Researcher - City - £22 -25000 + bonus**

Superb opportunity to work for a leading City based recruitment business specializing in Search and Selection for the banking and financial services markets. The business has been established for over 20 years' and a proven track record of achievement in delivering recruitment solutions in a highly competitive market.

The Banking team which specializes in Trade Finance & Transaction Banking is looking to hire an Associate Consultant/Researcher to provide support. You will be responsible for generating and developing the team's flow of candidates and will be actively networking and sourcing candidates. In time this will progress to a full 360 consultant role

The successful candidate will be educated to degree level or equivalent, highly motivated with excellent recruitment skills and able to work in a fast paced environment. Previous recruitment/research experience would be ideal but is not essential as full training will be given.

The successful candidate will be generously rewarded for their successes with a competitive bonus scheme and will be working in a collegiate, professional working environment with a great team.
