Principal Consultant - Banking/Financial Services - City - to £60000 + commission + benefits

My client is an award winning recruitment and executive search firm specialising in Legal, Risk, Compliance and Finance. Established in Asia, they now have offices globally and operate out of 6 countries. They have a superb reputation in their space and clients include prestigious financial institutions, leading UK and US law firms, market leaders and Fortune 500 organisations. As a business they have enjoyed year on year growth and expansion and as a result are looking to hire for their Financial Services team in London.

The ideal candidate will be an experienced Recruitment Consultant with experience ideally recruiting into Financial Services. They recruit at senior level working on a diverse range of roles at salaries from £120k+. If you have a good track record in recruitment, can communicate at senior level and are passionate about Financial Services recruitment and want the opportunity to charge higher fees, then please contact me.

In return you will be part of an entrepreneurial and growing business with exciting plans for the future. They offer consultants the opportunity to shine and you will be in a working environment where success is rewarded. This is an adult, non KPI driven environment where you will be given a lot of freedom and autonomy to run your own desk.

On offer is a competitive base salary coupled with market leading commission and profit share.
