Recruitment Consultant - Finance into Legal - City - £25000 - 30000

Recruitment Consultant – Accounting and Finance

Perm desk working at salary levels up to £45k

Are you looking for a 9 – 5 job in recruitment?

Do you want to work from home one day per week?

Do you want to work for a recruitment business that has zero kpi's?

Then this could be the role for you. This is a fantastic opportunity to work for a specialist Legal Business Services recruitment firm, established over 15 years. They are based in the City of London, have over 17 staff and are a market leader in their space. As standard they offer great working hours and flexibility. Culturally the business is professional and they hire people with the right behaviours who won't cut corners and have no bad habits. They are genuinely consultative and pride themselves on providing the highest quality service to their clients and candidates.

They are currently looking to hire a Recruitment Consultant to recruit accounting and finance professionals at salaries up to £45k into their established client base in the Legal space. Clients range from boutique practices to global law firms. You will be joining a team of 3 staff who are collaborative and work together well

The successful candidate will be an experienced accounting and finance recruitment consultant with at least 12 month's experience. You will be articulate, educated and be willing to learn about the sector and immerse yourself into it. The office can be quiet and heads down but everyone is busy, working hard, billing well and making good money.
