Senior Recruitment Consultant - Compliance - City - 32000 - 40000 + commission

Senior Consultant - Compliance

City of London

£40000

Superb opportunity to work for a leading City based recruitment business specializing in Search and Selection for the banking and financial services markets. The business is owner managed and has been established for over 20 years' with a proven track record of achievement in delivering recruitment solutions in a highly competitive market.

They are currently looking to hire an experienced Recruitment Consultant to work alongside one other placing Compliance professionals into PSL accounts across Banking/Financial Services. Clients are based in the UK and Europe. This is a dual desk, 75% permanent and they can offer you a hot desk with roles to work on from day one.

You will be working with an experienced team of recruiters in a collegiate, professional and friendly environment. They do not believe in micro-management and they are not KPI driven at all. They can offer a high basic salary and they have a very competitive bonus scheme. If you are an ambitious self starter with experience of managing the full recruitment cycle then I'd love to hear from you.
