### **Manager/Associate Director - Central London - to £60000 + commission + benefits**

Superb opportunity to join a boutique accounting and finance recruitment consultancy based in Central London. Established 10 years, they recruit into Commerce & Industry & Financial Services. They recruit from PQ to CFO level on a permanent and interim basis. They are ambitious and have real plans to grow and are looking for ambitious recruiters to help them do this.

They are looking for someone to lead the C&I finance team, currently 4 people. This is a hands on, billing role where you will have responsibility for developing current client relationships, winning new business as well as growing and developing the team.

It is a great time to join and they are looking to hire an ambitious recruitment consultant who is ready for a management/leadership role and who can play a key part in the business operationally.

You will receive a competitive basic salary, a monthly commission that starts at 30% and excellent benefits including flexi-working, 28 days holiday and more. There is also equity potential for high performers.
